SUBMISSION UNDER 37 CFR § 1.97(i)

Sir:

Applicants wish the following information to be placed in the file of the above-identified patent application.

In addition to the prior art of record, Examiner Cunningham identified three United States patents which Examiner Cunningham indicated would be made of record. These patents are: U.S. Patent Numbers: 5,120,525, 5,609,846 and 5,843,397, all to Goldenberg. Examiner Cunningham was to make these references of record and the undersigned attorney understood that there was no need to cite them in an Information Disclosure Statement. Examiner Cunningham failed to indicate that these patents were considered. Examiner Cunningham no longer is with the United States Patent and Trademark Office.

Respectfully submitted,
